“ Ehab spent quite a bit of time with me in a Skype call when I was first trying to figure out LinkedIn. He advised me about how to create a great profile, which groups to join and how to grow my network. At the time I was a bit discouraged but I followed his advice and I know have 1,685 Connections that link me to 16,776,847+ professionals. I also started an alumni group and a small group for executives based on his advice. There are now executives from over 30 countries in that group.

Thank you Ehab for spending some time with me and providing effective coaching. less ”
